Karyllan,

Thanks for the heads up. I told Bill Hyatt that I would find out the contact information of the people who made the recording, and I am still working on that. If understand this may not influence the CPG's decision, but so be it.

Sarah,

As you know, our Group is pretty upset about how our folks were treated during the last CAG meeting. While I understand that you do not have a copy of the mysterious video that was taken, our Group has instructed us to submit a FOIA request nonetheless. I just wanted you to be aware that it's coming. Hopefully it will be easy enough to respond to but sorry for the additional work.
